Mr. Franklin Porter,

On behalf of the Building Industry and Land Development Association (BILD) and Habitat for Humanity Toronto, we wish to extend our sincere appreciation for your contribution to the President's Gala, November 21, 2008.

The theme of the evening was to be treated like a star and walk our very own red carpet. Called upon at a moment's notice, your red carpet interviews were suave, pertinent, entertaining and impressed upon our guests that they really did arrive at a 'star-studded' event. Without your interview skills that evening, our red carpet entrance would not have felt the same.

You made our guests feel most welcome, and placed them in the correct mind frame so they were able to enjoy the balance of the evening and raise funds for our community partner, Habitat for Humanity Toronto. Habitat for Humanity Toronto is dedicated to ensuring decent, affordable, ownership housing for the working poor, thereby eliminating poverty housing. It is through your direct assistance that the dream of home ownership has become a reality for a deserving family.

Again, thank you for your support and we hope that our paths will cross in the future enabling us to call upon your services once again.

Sincerely,
